

PERSONAL TRANSPORT AND PARKING SURVEY

St. Leonard's corner, Wallingford

Results of the survey we conducted in November 2022 also at https://next-stleonards.uk/?page_id=193

Summary

On St. Leonard's Lane, Wood Street, Thames Street and Cherwell Close there are 41 car parking spots on the road. There are 19 garages and 18 private drives. For the sake of rounding up there are just under 80 spaces for a car. Based on the survey, most garages cannot or are not used for cars.

There are therefore approximately 60 car parking spaces in the St Leonard's area.

There are approximately 70 houses/households in St Leonard's "loop".

Based on the survey responses from 30 respondents the average number of cars per household is 1.3.

The survey identified 60 people in the 30 households, of those adults there were 31 drivers. There were 40 cars.

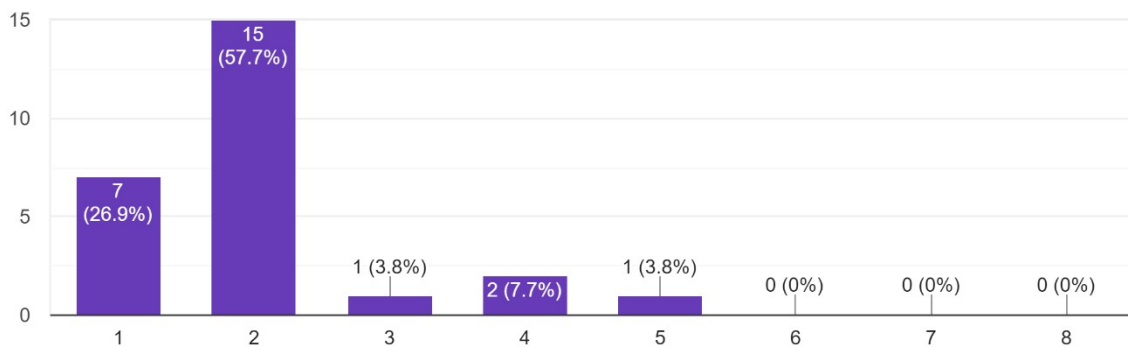

Extrapolating to the 70 households the likely demand for parking spaces is 91.

The number of additional car parking spaces needed is therefore 31.

Full results

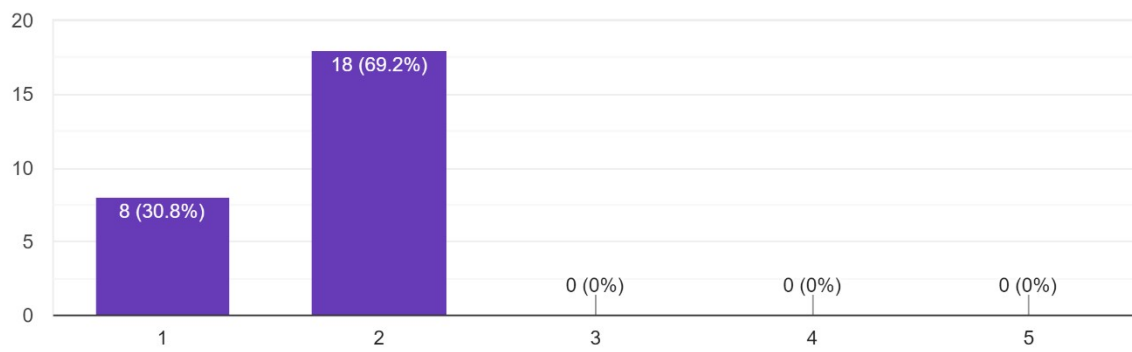

Number of people (over 18) in the household

26 responses

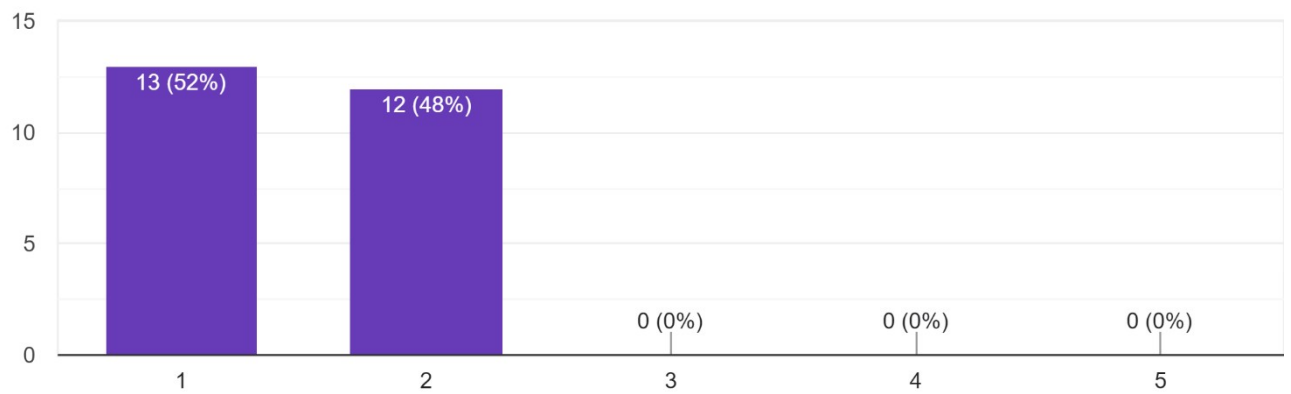

Number of drivers in the household

26 responses

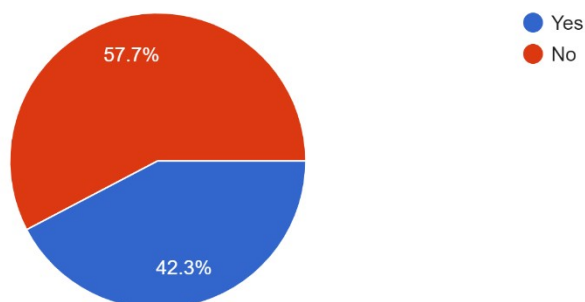

How many vehicles (cars/vans) do you have?

25 responses
